

# Roadworks

During your trip to the '3 Days of the Kempen', please take the following roadworks into account:

- E34/E313 near Wommelgem  
Only 2 of the 4 lanes are available in both directions: traffic jams are expected. Runners coming from the north should take extra time to travel into account. Runners coming from the west may consider travelling via Brussels.

- E313 Exit 25 Ham  
N141 interrupted near the canal (X). Diversion via Exit 25A Tessenderlo and then the N73 towards Beverlo-Leopoldsburg. Signposting starts from the red arrow.
