

## **3 DAYS OF THE KEMPEN BULLETIN 3**

Dear orienteering friends,

The 'Kempische Oriëntatielopers' wish you a warm welcome to the 'Three Days of the Kempen'. It is the fourteenth time in the club's history that we can organize this multi-day competition. Initially this happened every two years, but since the early nineties, three Flemish clubs alternately organize a multi-day orienteering competition. Normally this edition was planned in 2021, but due to the Corona pandemic it was shifted by a year. For this edition, we return to the military site of Kamp Beverlo. We use the same location as in 2009.

We are very grateful that we could count on the cooperation of the Belgian Defence in general and of the commander of Kamp Beverlo in particular. Also, a special word of thanks to 'Sport Vlaanderen' and 'Agentschap voor Natuur en Bos'.

On behalf of the organizing committee and in my personal name, I wish everyone a pleasant stay in the province of Limburg. I also wish you a lot of orienteering fun and hope that this competition will take place in an atmosphere of fair play and friendship

Luc Heuninckx, president KOL
